“Eric Holder-the person who’s been on a crusade to redraw every congressional district map in the country to his liking, is in Wisconsin campaigning for Politician Janet Protasiewicz-the person who says she will change our state maps if elected to the court because she thinks they’re rigged. They want to control the court and change our state.

Between the millions Protasiewicz has collected from George Soros, JB Pritzker and Nancy Pelosi, and the fact she’s relying on Barack Obama’s hatchet man Eric Holder to campaign for her in final days, it is beyond obvious that Janet Protasiewicz is nothing but a politician who wants to be a Democrat super-legislator on the Supreme Court.”
