President Donald Trump won the Wisconsin Republican straw poll at the state's GOP convention.

[WisPolitics reported](#) that “just under 53 percent” of Republicans participating in the straw poll said they backed President Trump in the presidential race. DeSantis was second with 34 percent.

This is a net 25 percent gain for President Trump since the **[2022 Wisconsin GOP straw poll, which Ron DeSantis won.](#)**

“The Wisconsin straw poll results are more evidence that the more Ron DeSantis campaigns, the more he loses support. Republicans have rallied around President Trump more than ever before, because he is the only candidate with the record and vision to save America.” — Karoline Leavitt, spokeswoman for Make America Great Again Inc.
