

Planned Parenthood of Wisconsin legal director says abortion pill future remains unclear

Posted on Wednesday, Apr 12, 2023

On this week's Capitol Chats episode, Planned Parenthood Advocates of Wisconsin Legal Director Michelle Velasquez says the future of mifepristone is still up in the air as legal battles continue. She also says it'll be interesting to see how the legal battle of AG Josh Kaul's lawsuit to overturn the state's 1849 abortion ban plays out after the recent Supreme Court race created a 4-3 liberal majority on the bench.
