In this week's Capitol Chats podcast, U.S. Rep. Mark Pocan, D-Town of Vermont, says he and other House members are asking the White House to press Israel to describe what the end of its conflict with Hamas will look like. He argues the Israeli bombing campaigns that have taken innocent lives "isn't a plan." The Congressional Progressive Caucus chair emeritus also says the White House should also do more to bring a ceasefire to the conflict between Israel and Hamas.
