(Brookfield) – Tuesday’s primary election for Wisconsin Supreme Court resulted in Daniel Kelley and Janet Protasiewicz advancing to the April 4th general election. Pro-Life Wisconsin Victory Fund PAC Director, Matt Sande, offered the following comments:

“Pro-Life Wisconsin congratulates Daniel Kelly, his campaign team and family for their dedication and determination in this hard-won primary election for our state’s highest court. We also commend the hard work of grassroots pro-lifers around the state. Your effort made a difference.

“It is imperative that Wisconsinites elect a justice who will serve fairly and impartially, respecting and upholding the rule of law. That justice is Daniel Kelly. The same cannot be said for Janet Protasiewicz who has consistently and brazenly pronounced her policy preferences on matters likely to come before the high court, including abortion and redistricting. Her public support for ‘abortion rights’ is a clear indication that her thumb will be on the scales of justice when it comes to adjudicating our current law abortion ban.

“There is much work to be done as we move toward the fast-approaching general election. Now it’s time to redouble our efforts for Daniel Kelly. We’re looking forward to April 4th.”
