Madison – State Representative Janel Brandtjen (R-Menomonee Falls) has issued the following statement regarding Meagan Wolfe's reappointment as Administrator to the Wisconsin Elections Commission (WEC) on July 1st of this year:

"I hope Wolfe will not survive the Senate confirmation process. Senators should recall the 2021 Legislative Audit Bureau's damning report of incompetence."

Administrator Wolfe also manufactured the guidance of illegal drop boxes and allowed a vote to keep special voting deputies from nursing homes and senior housing.

Brandtjen continues, "I believe this Thursday at 10 am, when the WEC meets and once again blindly approves Wolfe's requests, maybe finally, with some backbone from the Senate, her wrath will end".
