Madison – State Representative Janel Brandtjen (R-Menomonee Falls) thanks Parents on Patrol with the following statement:

I am grateful for the Stolen Innocence forum put on by Parents on Patrol last night. They did an exceptional job presenting and explaining what is going on in our schools today. Parents need to make the important decisions when it comes to children, and educators should have no authority when it comes to life-altering choices. Thank you to everyone who attended and participated in this informative program.
