Pewaukee – Today State Representative Adam Neylon (R-Pewaukee) issued the following statement after supporting legislation to protect our communities:

*“Protecting our communities is our most important duty as legislators and one I take very seriously. Violent crime is a serious problem in Wisconsin, and today we voted to reverse that trend. This package of bills does the following:*

- *Provides transparency on individuals that have been granted, denied or had their parole revoked*
- *Doubles penalties for reckless driving*
- *Creates a mandatory minimum sentence for violent felons in possession of a firearm*
- *Defines a riot in statute and uses that definition to provide appropriate penalties*
- *Defines “violent crime” and “serious harm” for the bail reform constitutional amendment on the April 4<sup>th</sup> ballot*

*“Families in Wisconsin should feel safe in their own neighborhoods. This criminal justice reform package reinforces our commitment to protect our communities and keep our constituents safe.”*
