**WASHINGTON, DC** – Today, Congressman Tom Tiffany (WI-07) released the following statement after voting against H.R. 6363.

*“I did not come to Congress to continue the failed status quo of excessive spending. Credit rating agencies are warning that America is in a very unstable financial state – it’s time for Washington to wake up and start making the same kind of tough choices Wisconsin families and small businesses have to make every single day.”*
