Madison... Speaker Robin Vos (R-Rochester) released the following statement in response to the news conference where Governor Tony Evers and Democrats call for a debate on their abortion bill.

“The Democrats’ news conference was quite the spectacle, with Governor Evers’ hypocrisy on full display. Last week, Legislative Republicans introduced a bill that’s a reasonable middle ground to the divisive and opposing viewpoints on abortion. Governor Evers immediately said he would veto it.

“Legislative Republicans have continued to say we’re willing to discuss and find consensus. Instead, Governor Evers issues an ultimatum of no negotiating.”
