MADISON, Wis. – Speaker Robin Vos (R-Rochester) and Majority Leader Devin LeMahieu (R-Oostburg) released the following statement:

“After several weeks of meetings and negotiations with all parties involved – Democrats, Republicans, towns, villages, cities and counties – we reached a shared revenue proposal we believe the public will support.”

“It’s very disappointing to come so close to the finish line only to have the Governor publicly issue veto threats because he wants to spend more money.

“The most pressing issue here is the bankruptcy Milwaukee will face if this bill does not pass. This is a disappointing move by Governor Evers. He should reconsider and work with us before the bill is brought to the floor of the Assembly.”
