Madison...Speaker Robin Vos (R-Rochester) released the following statement regarding the recent ad campaign on the impeachment of Meagan Wolfe.

“Conservatives, unlike liberals, believe in following the rule of law and the Constitution.

“Whether we like the result or not, a Dane County judge has issued a ruling saying we cannot remove Meagan Wolfe at least until the court issues a final ruling. I think she should be replaced, but we now have to wait for the court process to work.

“The people running these ads are obviously from out-of-state since anyone living in Wisconsin would know of recent events. They appear to be uninformed and not following what’s actually going on in our state. The money could be better spent attacking the real obstacle to election reforms and that’s Tony Evers.”
