WEST ALLIS — School Choice Wisconsin President Nicholas Kelly released the following statement in response to a lawsuit filed by Minocqua Brewing Co. President Kirk Bangstad that would kick 50,000+ low-income students out of Wisconsin's parental choice programs:

“Efforts to kill school choice will hurt thousands of low-income families throughout the state. In Milwaukee and Racine, where four out of five choice students are Black and Hispanic, this would fall most heavily on families desperate for educational options.”
