De Pere, Wis.: St. Norbert College's CEO Breakfast Series has announced the speaker lineup for 2023-24, the 25th anniversary of the lecture series. Through the college's Donald J. Schneider School of Business & Economics, The CEO Breakfast Series is a one-of-a-kind opportunity for local businesspeople to meet face-to-face with some of the most respected leaders in the business community - and to network with other leaders in the region.
