

Susan B. Anthony Pro-Life America targets Protasiewicz over abortion

Posted on Monday, Apr 3, 2023

Susan B. Anthony Pro-Life America is running a new TV ad that charges Protasiewicz's friends are "predatory abortion profiteers" and the "type of savages that support late-term abortions."

A Susan B. Anthony spokesperson said the spot is running on broadcast, cable and digital. The group announced earlier this month it planned to spend \$2 million backing Kelly, including \$1.25 million on ads. The group's latest filing today with the Ethics Commission lists nearly \$1.1 million in expenditures, almost \$1 million of that on TV.

The narrator opens the ad saying a person is known by the company they keep.

"Janet Protasiewicz and her bloodthirsty comrades don't care about Wisconsin's values," the narrator says to close the ad. "They care about making money killing babies. Vote Dan Kelly on April 4."
