*March 8, 2022* - [The Union](#), a pro-democracy grassroots coalition established by The Lincoln Project, will join a number of Wisconsin organizations for a Town Hall discussing the upcoming State Supreme Court election. This special election will determine whether the court can be counted on to uphold democracy, or be controlled by MAGA members who pledge to push a far-right agenda.

Taking place March 18th, the weekend before early voting begins, the Town Hall will discuss how the Wisconsin State Supreme Court could play an outsized role in the 2024 Presidential campaign and the running of a fair election.

This event is made possible thanks to the efforts of all partnering organizations: Souls to the Polls Wisconsin, Wisconsin Voices, Milwaukee Turners, VoteRiders, and NextGen America.
