GREEN BAY — On May 20, the Milo C. Huempfner VA Outpatient Clinic, part of the Milwaukee VA Health Care System, will host a PACT Act awareness symposium to inform Veterans, community leaders and Veteran advocates, their families, caregivers and survivors about the PACT Act and encourage them to apply for the toxic-exposure-related health care and benefits they have earned.

The event, 10 a.m. to noon at the Brown County Library, 515 Pine St., will include informational booths and a panel discussion about the landmark legislation, which is the largest expansion of Veteran health care and benefits in decades. Green Bay and Milwaukee VA staff will be present to help Veterans apply for benefits, learn about toxic exposure screenings and enroll in VA health care.

The event is part of VA's broader efforts to ensure that every eligible Veteran and survivor get their PACT Act-related health care and benefits.
