WASHINGTON, DC - Today, Congressman Scott Fitzgerald released the following statement in response to the arrest of man charged with firebombing Wisconsin Family Action in Madison, last summer:

*"I commend the efforts of law enforcement who at last have made an arrest in connection with the firebombing of Wisconsin Family Action in Madison, **said Congressman Scott Fitzgerald.** Attacks on Americans because of their beliefs is despicable, and those who engage in such violence must be prosecuted to fullest extent of the law. I support the important work WFA does in Wisconsin and will always stand up for the pro-life community."*
