GREEN BAY, WI — Rep. Mike Gallagher (R-WI) today announced that this summer, members of his team will be holding mobile office hours across the Eighth District to help constituents with any issues they are having with federal agencies. This includes challenges with the IRS, Social Security, Medicare, VA, and more.

“My top priority in Congress is providing second-to-none constituent services to Northeast Wisconsin residents. That means I’m constantly looking for new ways to make my office and staff as accessible as possible,” **said Rep. Gallagher.** “To help achieve this, I’m excited to announce that members of my staff will begin holding office hours in every corner of the district. While my office in De Pere will continue to operate business as usual, these mobile office hours will ensure that everyone in Northeast Wisconsin has the opportunity to meet with my staff in person and receive the assistance they need. Whether you’re a veteran having an issue with the VA, an individual having trouble getting a tax return from the IRS, or someone needing help with a passport, my office stands ready to help.”

Mobile office hours will begin this Friday, June 9, and continue through the rest of the summer. The schedule for June is included below, with additional July and August dates and locations to be announced in the coming days.

Individuals who are seeking assistance but unable to attend any of the above times can still reach out to Rep. Gallagher’s office in De Pere or attend one of the future mobile office hours in their area. To sign up for alerts on future mobile office hours, you can sign up [HERE](#).
