(Fond du Lac, Wis.) – Following the attack on Israel, Congressman Grothman (WI06) released the following statement:

*“ Hamas terrorists invading Israel is plain evil,” **said Grothman.** “The goal appears solely to spread terror and death. There is no other time in recent memory in which an invasion targeted civilians, specifically women and children.*

“In light of this heinous attack, the lack of comment from Islamic countries is sad and illuminating. Israel has every right to defend itself, and America strongly stands with Israel, our strongest ally in the Middle East, as they respond to the violence perpetrated by Hamas.”
