**WASHINGTON** – On Tuesday, U.S. Sen. Ron Johnson (R-Wis.) released the following statement on President Biden’s second State of the Union address.

“Tonight, President Biden said he ran ‘to fundamentally change things’ and he has done so – for the worse. The disastrous results of his governance describe the actual state of our union – a more divided nation, 40-year-high inflation, an open border with a flood of illegal immigration and deadly drugs, high energy prices, rising crime, record debt and growing threats from global adversaries. Our nation is in peril.”
