UW-Eau Claire Continuing Education/UW-Extended Campus connects people with possibilities by providing degrees and certificates for working adults, professional and workforce development, youth and community programs and resources for business.

Following are upcoming programs that provide the opportunity for individuals to grow professionally and personally:

[Geriatric Mental Health](#)

April 7, online

In this virtual program, nurses, hospice care workers, social workers, therapists and other professionals who work with the elderly population will learn to assess and identify mental illness in geriatric patients.

[Employee Evaluation and Performance Management](#)

April 13 and 14, online

Are you providing valuable feedback to your team? Learn proven techniques for assessing employee performance and effectively communicating feedback.

[Free Foot and Nail Care for the Community](#)

April 24-28, Grace Lutheran Church, Eau Claire

Once again we will provide free appointments for community members who would like help caring for their feet. Nurses will assess foot and nail health and determine areas that need attention. **Registration opens at 8:30 a.m. April 10.**
