Stephanie Bloomingdale, President of the Wisconsin AFL-CIO, released the following statement welcoming President Biden to Milwaukee on December 20, 2023:

“Wisconsin union members are excited to welcome President Biden back to Wisconsin. President Biden is working every day to ensure a workers first economy. His economic agenda is centered on lifting up working people and strengthening our middle class with strong unions. Working people in Wisconsin are on the job right now thanks to the good jobs created by President Biden’s successful legislative initiatives such as the Infrastructure Investment and Jobs Act, the Inflation Reduction Act, the CHIPS Act and the American Rescue Plan. President Biden knows that the best way to jumpstart our economy is to invest in America’s workers and support the freedom of every worker to have and join a strong union.”
