Madison, Wisconsin - The Wisconsin Federation of College Republicans strongly condemns the indictment of President Donald J. Trump by the Manhattan District Attorney. This is a clear attack on not only President Trump but on every single conservative and Republican in the United States. This is a time for conservatives to unify behind a cause and stand against the politicized and antagonistic Justice Department of our nation. The College Republicans in Wisconsin will stand behind President Trump in this unprecedented time when the Republican Presidential front runner is vigorously attacked.
