Madison, WI – Wisconsin Family Action PAC (WFA PAC), the state’s only conservative pro-family PAC, gave an exclusive endorsement to Justice Daniel Kelly for Wisconsin Supreme Court, in advance of yesterday’s primary election.

WFA PAC director Julaine Appling, issued the following statement:

“We are proud to have given Justice Daniel Kelly an exclusive endorsement for the Wisconsin State Supreme Court and congratulate him on his hard-fought victory. We urge conservative Wisconsin citizens to give Justice Kelly not just their vote in the general election, but their time, energy, and financial support over the next six weeks.

“Justice Daniel Kelly is well positioned to go head-to-head with Janet Protasiewicz, a self-described liberal judge, in the general election. Justice Kelly has everything we look for in a judge, especially for our state’s highest court. He has made it very clear and very public that his judicial philosophy is that the courts are not lawmakers; that’s the job of the legislature. The role of the judiciary, as Justice Kelly puts it, is to interpret the laws according to the clear language of state statutes, the Wisconsin Constitution, and the US Constitution. Deciding a case based on a political or personal agenda is outside the purview of a justice.

“The balance of our State Supreme Court is on the line, which is our last chance, our strongest defense against liberal policies that have resulted in

- low-bail, no-bail practices that put dangerous, repeat offenders back on the streets just hours after being apprehended,
- out-of-control crime rates across Wisconsin,
- a major erosion of our religious freedoms,
- gross violations of our parental rights, and
- our children placed at great risk in public schools.

“And as if that’s not bad enough, add the life of the unborn, school choice, election integrity, and re-districting of our state legislative districts that will tilt in favor of more liberal decisions and outcomes.

“This race has been highlighted as the country’s most important election of 2023 and will undoubtedly be the most expensive State Supreme Court race in Wisconsin’s history. It should not be viewed as a single-issue campaign. Wisconsin voters are encouraged not to become disenchanted by what will soon feel like a race to the bottom with special interest ads that seek to deceive, disengage, and/or suppress Wisconsin voters. Justice Daniel Kelly is the only candidate who will uphold the rule of law.”

The general election for Supreme Court will be held on Tuesday, April 4.
