Madison, WI - Wisconsin Family Action PAC (WFA PAC), the state's only conservative pro-family PAC, announced today it has endorsed Janel Brandtjen in the special election for Senate District 8.

Julaine Appling, WFA PAC director, issued the following statement regarding this endorsement.

"Janel Brandtjen will passionately promote and defend the values we and our constituents hold dear. She understands that a true conservative protects and promotes marriage, family, life, and religious freedom, as well as free enterprise as well as responsible spending and taxation. We are confident Janel will stand strong for parental rights in schools and for educational freedom by supporting efforts to expand school choice in our state. Importantly, Janel will provide leadership on critical issues, not just vote the right way.

"We are proud to endorse Janel Brandtjen and encourage voters in Senate District 8 to support her in every way as we head towards the primary on Tuesday, February 21."

The winner of the primary will advance to the special general election on Tuesday, April 4.
