MADISON – Wisconsin Farm Bureau President Kevin Krentz issued the following statement on the announcement of Representative Derrick Van Orden being named to the House Agriculture Committee.

*“Wisconsin farmers are in extraordinary times; supply chain disruptions and increased input costs continue to challenge agriculture across the country. With Rep. Van Orden’s leadership in Washington, Wisconsin farmers and rural families can expect to have a voice promoting agriculture. We congratulate Rep. Van Orden on his appointment to the House Agriculture Committee and look forward to working with him to strengthen our rural economies.”*

[Wisconsin Farm Bureau Federation](#) is the state’s largest general farm organization representing farms of all sizes, commodities and management styles.
