MADISON, Wis. — Democratic Party of Wisconsin Executive Director Devin Remiker issued the following statement on today's President Joe Biden's visit to Milwaukee, Wisconsin:

"Wisconsin Democrats are proud to welcome President Joe Biden back to Milwaukee. After years of failed Republican trickle-down economics, Bidenomics is working for Wisconsin—with unemployment at historic lows, billions in new private investments, and bold reforms that will lower the cost of health care for millions of Wisconsinites. And now, one year after the signing of the Inflation Reduction Act, Wisconsin is building the clean energy infrastructure that will power the future as we work to combat climate change and grow our economy from the bottom up and middle out, not the top down. As the GOP's 2024 hopefuls get ready for next week's MAGA circus, Wisconsin Democrats are excited to celebrate the Biden-Harris Administration's record of progress and accomplishment."
