**MADISON, Wis.** — In response to President Biden’s visit to Wisconsin today, Democratic Party of Wisconsin Chair Ben Wikler released the following statement:

“We were thrilled to welcome President Biden back to Wisconsin today to discuss how his economic agenda is delivering real results for our state. Thanks to President Biden’s leadership, America has made historic progress over the past two years to create jobs, rebuild our infrastructure, and lower costs for working families. Now, as President Biden laid out last night, it’s time to finish the job.”
