MADISON - WPT today released the following statement on the unanimous Wisconsin Supreme Court decision in the case of Wisconsin Property Taxpayers, Inc. v. Town of Buchanan.

“This is a great day for the organization’s membership, property taxpayers statewide, and the rule of law” said John Jacobson, Government & Member Relations Director. “The flagrant unlawfulness of ‘Transportation Utility Fees’ is evident by the Court’s unanimous decision, and no longer will residents be required to pay a fee to drive on roads that their tax dollars funded in the first place.”
