MADISON, Wis. — Several of Donald Trump’s cost-hiking tariffs, supported every step of the way by right-wing U.S. Representative and gubernatorial candidate Tom Tiffany, were recently struck down by the U.S. Supreme Court.

According to [estimates](#), the average American family has paid over \$1,700 in increased costs due to the Trump-Tiffany tariffs and, now that they’ve been found to have been improperly imposed, Wisconsin working people and families should get their money back.

“Donald Trump, with Tom Tiffany’s support, imposed a tariff tax that cost consumers billions of dollars. Now that the U.S. Supreme Court has ruled the Trump-Tiffany tariff tax was improperly imposed from the start, we should get our money back,” commented A Better Wisconsin Together Deputy Director Mike Browne.
