Madison, WI — Americans for Prosperity–Wisconsin (AFP–WI) State Director Megan Novak officially announced the chapter’s [endorsement](#) of Rep. Tom Tiffany for governor on Thursday during an appearance on the [Dan O’Donnell Show](#), highlighting why AFP believes he offers the best path forward for Wisconsinites struggling with the steep cost of living.

“Not only does Tom have the strongest track record of good conservative policy from the legislature on to Congress, but he’s also an incredibly authentic and steady leader that Wisconsin needs right now to turn this state back around and get back to good conservative reforms that help each and every one of us live the best possible life that we can,” Novak said.

“We’ve seen what the [State] Supreme Court has done to expand the governor’s powers through what I think are misguided decisions, and if we don’t win the governorship and keep the majorities, our state will just turn into Virginia overnight. And we’ve already seen what progressives have done to destroy that state in a matter of months.”
