End Citizens United (ECU), a leading national anti-corruption organization, today endorsed Judge Chris Taylor for election to the Wisconsin Supreme Court.

“Judge Chris Taylor has shown a lifelong commitment to fairness and integrity,” **said End Citizens United President Tiffany Muller.** “Throughout her public service career, she has defended freedom and fought for equal justice for all Wisconsinites. At a time when people’s basic rights and voting access are under attack by corrupt politicians that will do anything to stay in power, we need strong leaders like Judge Taylor who will stand up for the rule of law. We are proud to endorse Chris Taylor for the Wisconsin Supreme Court.”

“I’m grateful for the endorsement of End Citizens United,” **said Judge Chris Taylor.** “Every person deserves to have their voice heard, but too often, those with disproportionate power try to drown them out. I believe in an independent judiciary that is not beholden to any politician or special interest and one that provides justice for people on an equal basis. I have always worked to be impartial and fair in the courtroom, and I will bring that commitment to the Wisconsin Supreme Court.”

Judge Chris Taylor has served on the Wisconsin Court of Appeals since 2023, after spending three years as a circuit court judge in Dane County. She was previously a member of the Wisconsin State Assembly, where she advocated for affordable health care, fair wages, and other constituent interests on behalf of the 76th district. Her experience defending health care access also includes directing public policy for Planned Parenthood of Wisconsin. After spending her career protecting the rights of Wisconsinites, she is running to continue and extend that fight in the state Supreme Court.
