MADISON — Gov. Tony Evers today announced his appointment of Candice Krall to serve as the Iron County Register of Deeds. The appointment will fill the vacancy created by the resignation of Brancy Rowe. Krall will serve for the remainder of the unexpired term that ends on Jan. 5, 2029.

“Candice Krall’s experience, as well as her knowledge of Iron County, make her well qualified to carry out the responsibilities of Register of Deeds,” said Gov. Evers. “I am confident that she will lead the office and serve the people of Iron County well in this role.”

Since 2017, Krall has served as an economic support specialist at Iron County Human Services.

“I am honored to step into this role as Register of Deeds for Iron County. I am committed to providing helpful, courteous, and efficient services to Iron County residents, real estate professionals, and lenders,” said Krall. “My experience with Iron County Human Services the last nine years has prepared me to approach this position with understanding, attention to detail, and a respect for the importance of accurate and accessible public records. I would like to thank Iron County and the state of Wisconsin for this opportunity.”
