An evening of grooves and good times on Feb. 26

MADISON, WIS– Shake off the winter chill and warm up at the free Escape the Winter alumni event at Olbrich Botanical Gardens on Feb. 26.

Step into the lush, tropical Bolz Conservatory and reconnect with fellow Madison College alumni while enjoying a DJ, dancing, light refreshments, a scavenger hunt, a photo booth with Wolfie, and more.

Complementary refreshments from Ian's Pizza, and a cash bar will also be available as guests wander in the conservatory's landscape of lush greenery, fragrant orchids, and rushing waterfalls.

The February celebration launches a new event series hosted by the Alumni and Friends Network to spotlight the spirit of Madison College graduates and former students.

The series continues with a special Milwaukee Bucks game on Sunday, March 29, at Fiserv Forum, featuring discounted seats and swag as the Bucks take on the Los Angeles Clippers. In June, alumni will have the chance to jump into friendly pickleball competition. More details to come!

The Alumni and Friends Network aims to create meaningful connections to honor alumni accomplishments, foster strong relationships and create a welcoming community where all feel a true sense of belonging.

Join us and show your WolfPack spirit!
