Neenah, WI- Today Republican businessman, Jay Schroeder announced his run for Secretary of State.

I am humbled and motivated to run for Secretary of State after receiving texts, phone calls from all around Wisconsin: Kenosha, La Crosse, Eagle River, Green Bay, Waukesha, Mercer. After hearing some of my opponents speak many are convinced, I can offer the real solutions for the office.

The office of Secretary of State is corrupt. Yes Folks, For the 2025-2027 biennium the Wisconsin Secretary States office which was submitted by Gov Evers has an approved budget of \$1,502,800 which represents a 157.5% increase in the budget over the previous base year doubled, sounds like Minnesota daycare scam to me. Increased staffing from 2 to 6 employees and even creates a "Deputy Secretary of State" Get this: An unclassified position funded at \$228.500 over the biennium to "coordinate" administrative functions.

I will try to work with the F.B.I. and Department of Justice to uncover voter fraud like they are doing in Georgia. Arizona. Wisconsin is next.

We need the Secretary of State in Charge of elections just like 33 states have. Time to end the corruption and return honest elections to Wisconsin. Together we can and must. I look forward to your support
