**PRAIRIE DU CHIEN, WI.** - Pete Buttigieg, the failed mayor and out-of-touch Transportation Secretary, just made it official: he's throwing his full support behind Commie Cooke in her third attempt to claim Wisconsin's Third Congressional seat.

## **BUTTIGIEG'S RADICAL RECORD**

- [WASTED](#) more than \$80 BILLION in woke DEI grants
- [PLEDGED](#) TAXPAYER-FUNDED TRANSGENDER SURGERIES for criminals
- Racked up [THOUSANDS](#) in private jet bills on the public dime
- [PROMISED](#) that he would END the criminalization of illegal border crossings

"The mask is off. Pete Buttigieg's endorsement of Commie Cooke tells voters exactly where her campaign really stands. Cooke's so-called 'unity' brand is nothing more than a smokescreen to hide her far-left agenda. With Buttigieg in her corner, it's clear she's not running to represent Wisconsinites, she's running to serve the same radical, out-of-touch policies that have failed families across this country."
