The University of Wisconsin-Eau Claire mathematics department will host the 42nd Annual
Mathematics Meet for high school students on Saturday, Feb. 21.
This year, 31 teams will take part in the competition, representing the following high
schools: Cadott, Chippewa Falls, Cochrane-Fountain City, Eau Claire Memorial, Eau Claire

North, McDonell, North Cedar Academy, Regis, Spring Lake Park (Minnesota), Stanley-
Boyd, Tomah and West Salem.

During the mathematics meet, students' problem-solving prowess across a variety of
mathematical subjects will be tested and celebrated through four individual events and
one team event. Awards will be separated by school division size.
Individual awards will be presented to the top six individuals in each division and team
awards will be awarded to the top two teams. All competitors and team sponsors will
receive T-shirts and certificates.

UW-Eau Claire scholarships, funded by a grant from Xcel Energy, will be awarded to the

top four individual winners in each of the three divisions at an awards ceremony that will
begin at 1:45 p.m. in Davies Center. In case of inclement weather, the meet will take place
on Saturday, Feb. 28.

For more information, call the mathematics department at 715-836-3301 or email mathematics@uwec.edu.
