*New webpage provides voters and media with a centralized source for election news, data, and resources*

MADISON – Voters and media can now access a new webpage to find the latest election information in one convenient location.

The Wisconsin Elections Commission (WEC) has launched the [2026 Election Information Hub](#), designed to bring news, data, key election dates, and voter resources from across the agency's extensive website into a single, easy-to-navigate destination.

The new hub is geared towards improving public access to election information during the 2026 election cycle and beyond.

Visitors to the 2026 Election Information Hub will find:

- **The Voter Information Center:** Voters can register to vote, request an absentee ballot, see what's on the ballot, and find their polling place.
- **Election Resources:** Guests can find a list of candidates, nomination papers, and local referendums.
- **Statistics & Data:** Includes updated reports on voter registration and voting statistics.
- **FAQ's:** Evidence-based answers to frequently asked questions on election administration and misinformation.
- **News & Events:** Find WEC press releases, including a list of upcoming events.
- **Election Security:** See recent security reports and gain insights into how Wisconsin's elections are secure.

- **Election Results:** Find out what information is available under Wisconsin statute.
- **Election Manuals:** Learn about Wisconsin's statutes and administrative rules.
- **Elections 101:** Educational videos on how elections work in Wisconsin.

The 2026 Election Information Hub will continue to be updated with new materials and resources as the election cycle progresses.
