Wisconsin Right to Life extends its sincere gratitude to Speaker Robin Vos for his years of leadership and service to the people of Wisconsin as Speaker of the State Assembly.

Throughout his tenure, Speaker Vos played an important role in advancing policies that protect life and strengthen Wisconsin families.

As he begins this next chapter, Wisconsin Right to Life thanks Speaker Vos for his commitment to public service and wishes him well in retirement. We also look forward to working with the incoming Assembly leadership to continue advancing policies that protect life from the moment of fertilization to natural death.
