MADISON, Wis. — Today, the Democratic Party of Wisconsin announced its 2026 State Convention—Reclaiming the American Dream. The 2026 WisDems State Convention will be hosted in Madison on June 13th and 14th at the Monona Terrace. Wisconsin Democrats will gather in Madison to attend trainings, caucuses and conduct important party business. Upon the announcement, Democratic Party of Wisconsin Chair Devin Remiker issued the following statement:

“10 years ago, Republicans controlled every branch of government in Wisconsin; today, we are on the cusp of tremendous change and securing victory for Democrats so we can put to rest a decade of Republican obstruction and deliver meaningful change for working people. Wisconsinites see the chaos and pain Trump and his enablers like Tom Tiffany are causing in their everyday lives and refuse to accept it as their reality.

“Wisconsin has a choice that we will make abundantly clear. Allow Republicans like Tom Tiffany to drown us in a red tide of rising debt and despair as they toast to the death of the American Dream in boardrooms with their billionaire backers- or take the one way out that we have- through them. The path to change begins now.”
