**MADISON, Wis.** — In response to every Wisconsin Republican voting to send American soldiers to their deaths in a senseless war designed to cover up the GOP's economic failures, WisDems Chair Devin Remiker released the following statement:

“Wisconsin Republicans have proven there is no line they won't cross for Trump — stripping veterans of health care, letting working families drown in skyrocketing prices, and now sending service members to an illegal war to distract from their failures. These self-proclaimed patriots are nothing but bootlickers wrapping themselves in a flag they're trying to sell to the highest bidder.”
