Rep. Zamarripa: Statement on Fighting for Families Legislation

MADISON – State Representative JoCasta Zamarripa (D-Milwaukee) issued the following statement about the Progressive Workgroup’s Fighting for Families common sense legislation:

“Under Republican leadership, hardworking families in Wisconsin are struggling. Republicans have created a rigged economic system where the rich get richer and low and middle class families are left behind. This is unacceptable. We must create an economy that works for all Wisconsinites, not just those at the top.

“My colleagues and I in the Progressive Workgroup are committed to fighting for families in Wisconsin. The common sense legislation we are proposing today will give working families the raises they deserve. By eliminating tax breaks for millionaires and corporations, we can help Wisconsin families keep more of the money they need to pay for groceries, pay their rent, or save for their children’s college educations. Together we can do better. Together we can move Wisconsin forward.”
