REPUBLICAN PARTY OF MARINETTE COUNTY ADOPTS RESOLUTION IN SUPPORT OF GOVERNOR WALKER'S EFFORTS TO KEEP TAXES DOWN

Marinette, WI - The Republican Party of Marinette County unanimously voted to adopt a resolution at their July meeting in support of Governor Scott Walker's efforts to keep taxes down in the State of Wisconsin.

Chairwoman Shirley Kaufman says this resolution is another way the county party can show their support for Governor Walker and perhaps help provide positive reinforcement to legislators who work so diligently for their constituents.

"We may be a small county population wise, but we have a lot of power when it comes to electing and supporting our representatives. Proof of that is in the results of last Fall's General Election." Kaufman added, "We are proud to stand behind Governor Walker and the job he has done for our state. Our low unemployment rate and his efforts to keep taxes down are proof we are on the right track."
