Rep. Zamarripa Statement on President Trump's Decision to End DACA

MADISON – State Representative JoCasta Zamarripa (D-Milwaukee) issued the following statement in response to President Trump's decision to end the Deferred Action for Childhood Arrivals (DACA) program:

“Ending DACA is cruel, heartless, and wrong. It is morally reprehensible to attack children to score cheap political points. DACA DREAMers are our colleagues, classmates, men and women in uniform, friends, and neighbors. DACA DREAMers have fulfilled their promise to our nation and state. President Trump has broken his promise to them.

“Since the President and his administration lack the integrity to keep their promises to our nation's children, I call on Congress to defend DACA and protect our DREAMers. Speaker Ryan and the GOP controlled Congress must do the right thing, and pass a clean piece of legislation that protects these DREAMers. We need a solution now. Your party broke it. Your party needs to fix it.”
