PPG – Oak Creek to participate in “Sneak Peek at Oak Creek”

What: PPG-Oak Creek is one of more than 20 Oak Creek businesses and organizations that will open their doors for behind-the-scenes tours as part of a new event, called Sneak Peek at Oak Creek.

“We’re excited to open our doors to the community,” said plant manager, Jack Marshall. “You’ll be able to see some of our production areas as well as examples of the incredible array of products that use our industrial coatings; including items such as golf balls, motorcycles, manufacturing equipment and even food cans.” He went on to say, “If you’ve never been in a manufacturing facility, or haven’t been in one in years, you will be surprised at how clean and expansive it is and you’ll be impressed by all of the technology used in today’s manufacturing process. We’re hoping for a great turnout.”

Maps can be picked up at Oak Creek City Hall on September 16. Additional information can be found by visiting: [Facebook.com/visitoakcreek](https://www.facebook.com/visitoakcreek)
