I am pleased to have received an endorsement from Wisconsin Right to Life. Chelsea Duffy, Wisconsin Right to Life Political Action Committee Director wrote:

*"We deeply appreciate your strong support of legislative measures that would build a culture of life in Wisconsin, including legislation to end the trade of fetal tissue and promote ethical alternatives, and your opposition to measures that would demean human life. We believe your election would greatly contribute to the building of a culture of life in Wisconsin, so that all human life is welcomed and protected."*

Tiffany Koehler is a candidate for state assembly to replace Representative Bob Gannon in the special election for the 58th Assembly District.

Tiffany Koehler knows what it's like to stand up for others. She has made a career out of it. From serving in the army to running large nonprofits, and then in the state capital as a policy advisor and legislative assistant. She has stood up for those with disabilities and those with mental illness.

Tiffany has also stood up for the unborn and has been proud to do so. As a proud servant of God and a strong believer in her faith, Tiffany knows that everybody has a God given potential and that potential needs to be fought for. She will continue to fight for the next generation and will continue to ensure that hard earned taxpayer dollars are not spent on abortion.
