Evers Campaign Statement on Lincoln Hills

“If Scott Walker thinks that his statement today washes away 2,055 days of scandal, mismanagement, and cover-up, he's got another thing coming. How many kids have abused during the 5 years Walker failed to act? How many staff have been harassed and beaten? How many lives have been ruined? Now he wants us to believe the same people who caused the Lincoln Hills mess are going to fix it. We need responsible leaders who are more focused about solving problems and protecting lives than winning elections.”
