### **Kurtz Collects More than 1,000 Signatures in Two Weeks**

**Wonewoc, WI** – Despite a compressed timeframe, Tony Kurtz announced that his campaign had collected over 1,000 signatures in two weeks – over five times the amount required.

“Starting a campaign from scratch, with so many things to complete can be a harrowing experience,” said Kurtz. “Thanks to dozens of people who chose to lend a hand, we are on the ballot, and moving full steam ahead with grassroots support.”
