Roys Congratulates Senator-Elect Caleb Frostman

MADISON, WI -- Democratic gubernatorial candidate Kelda Roys released the following statement of congratulations after Caleb Frostman was declared the winner of the Senate District One Special Election:

“Congratulations to Caleb Frostman on his election to the Wisconsin State Senate. This is a tremendous victory for Caleb, as well as the people of Wisconsin, who will now have another strong voice fighting on their behalf in their State Senate.”

“Frostman won because he ran on opportunity, supporting small business owners, and creating economic equality. Wisconsinites are tired of seeing only the wealthiest have a shot at success. Caleb’s election proves that the people of Wisconsin are ready for change.”

“Our party continues to triumph despite the opposition’s anger and massive dark money spending. I have no doubt that this trend will continue in November, and I look forward to seeing Wisconsin become a state of opportunity and fairness once more.”
